

## Temuka Saleyards Re COVID-19

Following Thursday's announcement by the Minister of Health, we can confirm that all livestock sales at the Temuka Saleyards will carry on as scheduled until further notice.

We would however, prefer if only Livestock Company staff, Vendors, Purchasers and Transport staff carrying out business be allowed to enter the yard premises and therefore NO Spectators, Visitors or Children.

We would also request that all persons attending sales regularly use the hand washing and hand sanitation facilities provided.

We have followed Ministry of Health advice and under those guidelines there is no reason for us to cancel or postpone sales at this time.

We are constantly monitoring Government health announcements to keep updated with any changes to advise.

### HOWEVER

We would ask people, who have experienced any symptoms such as fever, shortness of breath, or a dry cough not to attend any sales, or if you have been overseas in the past 14 days or has come into contact with a positive Coronavirus (Covid-19) case.

We advise anyone who is considered to be in the 'at risk' category, i.e. the elderly, and anyone with pre-existing or underlying health conditions not to attend sales.

If you can answer yes to any of the 3 questions below, please DO NOT attend sales.

HAVE YOU

- EXPERIENCED ANY SYMPTOMS OF CORONAVIRUS?
- COME INTO CONTACT WITH A POSITIVE CORONAVIRUS (COVID -19) CASE?
- BEEN OVERSEAS DURING THE PREVIOUS 14 DAYS?

If you are attending sales, you do so at your own risk, and we would expect strict adherence to the hand washing and sanitising guidelines.

We are taking every possible precaution to ensure the safety of our customers and staff.
